

2016 Congressional Art Competition District Framing Guidelines  
Submission Dates & Locations  
**CONGRESSMAN CHUCK FLEISCHMANN TN DISTRICT 03**

---

**TN-03 STUDENT FRAMING GUIDELINES**

- **We encourage that all work be framed.** However, under 2016 Congressional Art Competition guidelines, it is not a requirement. Although framing will ensure the protection of the piece, we understand that it is not always an option. Use your best judgment to determine whether your submission can be properly displayed and protected without being framed. **(Please note that the winning submission must be framed prior to shipment to Washington, D.C.)** If you choose to frame your art, please adhere to the attached Rules for Students & Teachers.
