The Honorable Kay Granger
Ranking Member

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$2,629,000 in FY23 STAG community project funds for the City of Luttrell, Tennessee. This project will provide for the construction of a modern activated sludge secondary biological process. The new facility will be able to meet the existing permit limits including nutrient removal. In addition to the biological treatment process, a new sludge dewatering will be installed to facilitate efficient handling of biosolids.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chuck Fleischmann
Member of Congress
