The Honorable Rose DeLauro
Ranking Member
House Appropriations Committee
H-130, The Capitol
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$3 million in Community Project Funds to the City of Chattanooga for the Broad Street Redesign. The Broad Street Redesign will provide improvements to the Broad Street Corridor in downtown Chattanooga between the Aquarium and Martin Luther King Blvd. that will enable multimodal use of the corridor as well as expand public outdoor space, including travel lane reconfigurations, installation of bike facilities, improved transit stops, and sidewalk expansion. Broad Street is the heart of downtown Chattanooga. It serves as a central gathering place for Chattanoogaans and visitors from around the world, and it is the heart of Chattanooga's downtown economic activity. This project will reinvigorate the Broad Street Corridor, drive economic development, and magnify the public spaces along this key route. This project has a federal nexus because the funding provided is for purposes authorized by Section 23 USC 133 (b).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chuck Fleischmann
Member of Congress
