The Honorable Rose DeLauro
Ranking Member
House Appropriations Committee
H-130, The Capitol
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$1,7350,000 million in community project funding for the rehabilitation and extension of a water infrastructure in fiscal year 2024. The entity to receive funding for this project is the Campbell County Government, located at 507 Main Street, Jacksboro, Tennessee 37757. The extension of public water lines on Norman Road will provide water lines to an area without a public source of clean water. The Pine Hollow to Maddie Randolph Road line will improve clean water and provide a more reliable and quality service for these citizens. The Pinecrest Road to Reid Lane extension will also provide quality service to current and future residents. These projects will improve the health and quality of life in south Campbell County. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chuck Fleischmann
Member of Congress
